LEAD GIVING CIRCLE

HELP US HELP MUSKEGON COUNTY! JOIN TODAY.

WHO IS LEAD?

The Muskegon LEAD (Leading Efforts Against Discrimination) Giving Circle was organized to collectively fund initiatives in Muskegon County specifically and intentionally focused on justice, equity, diversity and inclusion (JEDI). We care about our community, and we care about intentionally building a more just future for generations to come. Together, we learn, share and help to build a vibrant community with great opportunities for all.

GIVE

Participants each give $400 annually, either in one payment or spread throughout the year.

GROW

Half of your gift will be endowed at the Community Foundation to create a permanent fund dedicated to Diversity, Equity and Inclusion.

GRANT

The other half of your gift will be granted out. We will accept grantee applications, review finalists and together select an awardee to do important DEI work in our community.

THE NITTY GRITTY

We will gather 3-4 times over the course of the year to get to know each other and learn about issues within our community. Grant applications will be solicited from nonprofits doing JEDI work in Muskegon County, and together we will select a winner to receive the grant! Your $400 gift gives you one vote in that process. Couples who participate can share a vote or give a second $400 to vote independently. Your commitment is for 2020; we're planning for this group to continue and grow, and you'll have the opportunity to renew each year.
